Wukair Road 1; Al Kharrara Road

1. Woqod Petrol Station #80

2. Before entering Al Kharrara >> Turn Left

3. Turn to low beam and take right exit at the signboard location. Do not go ahead of signboard (Waze shows to take right exit 100m ahead of signboard – that is wrong). Follow Volunteer’s direction for parking. Do not park along the road.

NOTES:

1. Waze is preferred. Google Map can be used after reaching to 'Al Kharrara'.
2. Beware of potholes and drive carefully.
3. There are speed breakers before and after the Petrol Station, 8 nos.
4. At the location, do not park along the road as this may cause security concerns.
5. Set Waze/Google Map destination to 'Woqod Petrol Station#80 – Al Nigyan'. After reaching there, set Waze/Google Map destination to 'Meteor Shower'.
